PACLOCK unrestricted, restricted, or Master Lock® M1

Dual-Injection molded bumper available in five colors: gray, red, blue, orange, and green

PACLOCK’s “PL1” is the first 44mm wide laminated padlock specifically built to challenge Master Lock’s® dominance of the high end laminated market. These padlocks can be keyed into any Master Lock® key number from the 1, 3, or 5 series of products. Our PL1 can be Master and even Grand-Master Keyed. Lead times on custom key numbers are a matter of days since these locks are pinned, keyed, and have final assembly done in Los Angeles.

The PL3 and the PL5 will be available the second quarter of '08.
