UNLOCK THE POSSIBILITIES

CREATING MANUFACTURERS, ONE LOCKSMITH AT A TIME

Starting to lose your padlock business to the **big retailer** down the street? Realizing that special keys or keyways won't prevent your customers from leaving you for low prices? Then stop selling padlocks made by a manufacturer who is now directly competing with you by selling through big retail chains! Sell your customers a product that they can only buy from you...a PACLOCK with **THEIR** logo.

No minimum orders

No setup fees*

**Guaranteed 10-business day shipping
on ALL orders**

**Make money in ways you never could
before by charging your customers for
"your engraving service."**
